

Domestic Energy Assessors

Location: Field-based and Stoke-on-Trent

Company Background

Solarplicity are a leading provider of renewable solar PV technologies, helping homeowners as well as businesses throughout the United Kingdom to discover the benefits of cleaner, greener energy.

We are seeking to recruit a number of Domestic Energy Assessor to carry out property assessments for the suitability of Solar PV and where appropriate carry out an EPC survey. We have a number of projects so nationwide travel and overnight stays will be a part and parcel of this role.

You will be responsible for your allocated surveys inclusive of but not exclusive to:

- Visiting properties and assessing their condition and suitability for a solar PV installation.
- Carrying out an EPC assessment and then lodging with the relevant governing body.
- Ensure a timely return of all relevant documentation to our office according to process and targets set by our management team.
- Manage and control of your own lists which have been issued by our team, and timely/accurate reporting of any difficult to contact properties.
- Completion of surveys on average 5 properties per day.
- Pro-actively work with your manager to constantly improve process, documentation, and delivery of objectives.
- Act as the 'face of the company' and portray the correct image to clients at all times.
- Production of regular reports to assist your manager and department.

Skills, Knowledge and Experience:

- DEA level 3 Certificate in Domestic Energy Assessment
- Full Valid Driver's Licence
- Technical knowledge of Solar PV is an advantage but not essential as full training will be provided.
- Excellent customer service and interpersonal skills, with the proven ability to deliver a high level of customer service
- Excellent planning, organisation, and self-management skills
- Strong verbal and written communication skills
- IT literate.

Hours of work:

- 45 hours per week this may include some evenings and weekends where required to meet the needs of our clients and the business.
